PROTESTED by H.A.Comins, April 28th, 1916.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued for use during the winter months from September 1st of each year to April 1st of the following year, as applied for in the application, and is specifically subject to all prior rights on the source. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed

0.4 cubic feet per second. (Four-tenths)

Actual construction work shall begin on or before June 19th, 1918.

Proof of commencement of work shall be filed before July 19th, 1918.

Work must be prosecuted with reasonable diligence and be completed on or before June 19th, 1919.

Proof of completion of work shall be filed before July 19th, 1919. Application of water to beneficial use shall be made on or before

June 19th, 1920. Proof of the application of water to beneficial use must be filed with State Engineer on or before July 19th, 1920.

Proof of labor filed JUL - 5 1918

WITNESS MY HAND AND SEAL this 19th day

Proof of completion of work filed JUL - 5 1918

of November, 1917.

Proof of work done JUL 30 1918

J. G. Scrugham.
